Re: Executive Order N-3-22

Dear Educational Partners:

Kern County is experiencing an unprecedented increase in reported cases of COVID-19. The seven-day average of reported cases as of January 19, 2022, was 164.5 cases per 100,000.¹

The impact of this current surge in COVID-19 cases is extreme difficulty in staffing classrooms with teachers, providing instructional support services, and offering other services (busing, nutrition, etc.) to continue to operate our schools in-person.

This letter shall serve as the written finding required by Executive Order N-3-22² regarding the staffing shortage impacts created by the current COVID-19 surge. The temporary staffing flexibility provided by Executive Order N-3-22 will support the district in maintaining in-person

services for students despite the staffing shortages caused by the Omicron-driven rise in COVID-19 cases. This letter shall be posted on the district website and also will be publicly available at the district office.

Sincerely,
