

# Rosedale

## Union School District

### ESSER III Expenditure Plan

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Rosedale Union Elementary School District	Sue Lemon Superintendent	slemon@ruesd.net (661)588-6000

School districts, county offices of education, or charter schools, collectively known as LEAs, that receive Elementary and Secondary School Emergency Relief (ESSER) funds under the American Rescue Plan Act, referred to as ESSER III funds, are required to develop a plan for how they will use their ESSER III funds. In the plan, an LEA must explain how it intends to use its ESSER III funds to address students' academic, social, emotional, and mental health needs, as well as any opportunity gaps that existed before, and were worsened by, the COVID-19 pandemic. An LEA may also use its ESSER III funds in other ways, as detailed in the Fiscal Requirements section of the Instructions. In developing the plan, the LEA has flexibility to include community input and/or actions included in other planning documents, such as the Local Control and Accountability Plan (LCAP), provided that the input and actions are relevant to the LEA's Plan to support students.

For more information please see the Instructions.

### Other LEA Plans Referenced in this Plan

Plan Title	Where the Plan May Be Accessed
Local Control and Accountability Plan	www.ruesd.net
Extended Learning Opportunity Grant	www.ruesd.net

### Summary of Planned ESSER III Expenditures

Below is a summary of the ESSER III funds received by the LEA and how the LEA intends to expend these funds in support of students.

#### Total ESSER III funds received by the LEA

4,371,321
-----------

Plan Section	Total Planned ESSER III
Strategies for Continuous and Safe In-Person Learning	\$2,377,000
Addressing Lost Instructional Time (a minimum of 20 percent of the LEAs ESSER III funds)	\$1,278,321
Use of Any Remaining Funds	\$716,000

#### Total ESSER III funds included in this plan

\$4,371,321
-------------

### Community Engagement

An LEA’s decisions about how to use its ESSER III funds will directly impact the students, families, and the local community. The following is a description of how the LEA meaningfully consulted with its community members in determining the prevention and mitigation strategies, strategies to address the academic impact of lost instructional time, and any other strategies or activities to be implemented by the LEA. In developing the plan, the LEA has flexibility to include input received from community members during the development of other LEA Plans, such as the LCAP, provided that the input is relevant to the development of the LEA’s ESSER III Expenditure Plan.

For specific requirements, including a list of the community members that an LEA is required to consult with, please see the Community Engagement section of the Instructions.

A description of the efforts made by the LEA to meaningfully consult with its required community members and the opportunities provided by the LEA for public input in the development of the plan.

The ESSER III Expenditure Plan will support plans outlined and developed in thorough consultation with all stakeholders during the Learning Continuity and Attendance Plan (December 2020), the Local Control and Accountability Plan (May 2021) and the Extended Learning Opportunities Grant (June 2021). Stakeholder groups in consultation for each of these components include: Students, Parents, District Advisory Committee, District English Learners Advisory Committee, School Site Council, Local Bargaining Units including Certificated and Classified Staff members, Principals and Administrators, and the district Board of Trustees.

February 2021:

The district reviewed the current FOCUS Plan (LCAP) with the Board of Trustees, District Advisory Committee (DAC) and District English Learner Advisory Committee (DELAC). The DAC is made up of certificated and classified staff, parents from unduplicated student groups, administrators, and CTA and CSEA representatives (bargaining units).

Each school site notified parents via email communication and phone messenger system to participate in an online input survey. The survey link was accessible via each school's website and inserted in the email notification.

Staff (classified and certificated) participated in an online survey in which the link was distributed to each staff member via their district email account.

March 2021:

The District Superintendent, Chief Administrator of Operations, and Chief Administrator of School Leadership conducted Zoom meetings with staff (teachers, classified, support staff and administrators, including principals) from our 9 school sites, the Maintenance, Operations and Transportation staff, and staff from the Student Achievement Support Center. The purpose of these meetings was to review the current FOCUS Plan (LCAP) and data collected from the surveys. The meetings also provided an opportunity for additional input on action steps to support the needs and goals of the district.

Each school site principal met with their School Site Councils and gathered input from them towards needs and goals of the district.

Each school site distributed surveys to students in grades 4-8 regarding their input in regard to their educational experience.

April 8, 2021:

Each school site notified and invited all stakeholders to an input night where information and data was shared about the current FOCUS Plan (LCAP) and data collected from the stakeholder surveys. Input was gathered for consideration for action steps and/or goals for the 2021-2024 FOCUS Plan (LCAP).

April 23, 2021:

Consultation with the Special Education Local Plan Area administrator took place.

May 6, 2021:

The DAC/DELAC met to review the input gathered from the school site staff members, students, parents, and groups as it relates to the eight state priorities. The District Superintendent responded to any questions that were generated in writing.

May 11, 2021:

The district presented an initial draft of the FOCUS Plan (LCAP) to the School Board of Trustees by means of a Public Hearing. This meeting was conducted during the regularly scheduled board meeting, providing notice of the agenda as required. The Board asked questions and provided input regarding action steps. The 2021-2022 tentative budget was also presented which was aligned to the FOCUS Plan (LCAP). The ELO was developed to support all actions addressed as areas of continued action and identified needs as identified and addressed in the development of the 2021-2024 LCAP. The ELO was adopted by the School Board of Trustees by means of a Public Hearing in June 2021.

In addition to receiving stakeholder input, the superintendent also reviewed the School Plan for Student Achievement for all sites to ensure that the LCAP Goals and Actions are addressing the needs at the site-level.

A description of how the development of the plan was influenced by community input.

After consulting with parents, students, teachers, principals, administrators, and the district board of trustees through surveys, site meetings, during and throughout the development and adoption of the Extended Learning Opportunities Grant and the Local Control and Accountability Plan, specific actions and considerations that were common requests for consideration by all stakeholder groups resulted in the identified actions and expenditures for the LCAP and ELO. With the additional ESSER III funds, actions are able to be further implemented, expanded beyond our initial planning based upon funds available from the LCAP and ELO. The ESSER III also provides needed funding to dive deeper into the focus of student SEL supports and monitoring, academic supports for unfinished learning including a uniform, multi-tiered system of support throughout the district, addressing the unique needs of English Learners, Foster Youth, students experiencing Homelessness, Socioeconomically Disadvantaged students, and students who struggle. Stakeholder groups (students, parents, teachers, principals, administration) all identified the value and continued need for Music, Art, Physical Education, STEM supports, along with investment in the SEL and academic supports.

## **Actions and Expenditures to Address Student Needs**

The following is the LEA's plan for using its ESSER III funds to meet students' academic, social, emotional, and mental health needs, as well as how the LEA will address the opportunity gaps that existed before, and were exacerbated by, the COVID-19 pandemic. In developing the plan, the LEA has the flexibility to include actions described in existing plans, including the LCAP and/or Expanded Learning Opportunity (ELO) Grant Plan, to the extent that the action(s) address the requirements of the ESSER III Expenditure Plan.

For specific requirements, please refer to the Actions and Expenditures to Address Student Needs section of the Instructions.

## Strategies for Continuous and Safe In-Person Learning

A description of how the LEA will use funds to continuously and safely operate schools for in-person learning in a way that reduces or prevents the spread of the COVID-19 virus.

### Total ESSER III funds being used to implement strategies for continuous and safe in-person learning

\$2,377,000

Plan Alignment (if applicable)	Action Title	Action Description	Planned ESSER III Funded Expenditures
N/A	School Site Grade Level/Department Supplies	Restore and replace school supplies lost, never returned, or damaged from closure in March of 2020 and during the 2020-2021 distance learning school year.	\$120,000
N/A	Teacher Requisition	Grade level materials, supplies to support curriculum and intervention support	\$180,000
N/A	PPE/Sanitizing	Continue to purchase necessary PPE and Sanitizing supplies to mitigate the spread and continued spread of COVID.	\$85,000
N/A	Music PPE	To offer in person instrumental music, purchase specialized PPE to allow for the playing of all instruments.	\$10,000
N/A	Technology Upgrades	Upgrade key components of the infrastructure to increase security and to speed up connectivity and reliability.	\$410,000
N/A	Technology for PE	Student performance/achievement monitoring	\$12,000
N/A	Employment of Existing Staff	Continue employment of temporary additional staff hired during COVID to help mitigate learning loss.	\$900,000
N/A	Professional Development	Offer PD opportunities to all staff throughout the year focused on social emotional learning, best practices and learning recovery.	\$600,000
N/A	Permanent Substitute & Long term Substitute Pay	Continue to provide the permanent sub at each of the school site that was started during COVID and pay them long term sub rate to retain employment. Likewise, start long term subs on the long term sub rate from day 1 to recruit and retain long term subs for teachers that are absent for more than 15 days.	\$20,000
N/A	Health & COVID Testing	Employment of Health aides to administer and process “test to stay” students and families.	\$40,000

## Addressing the Impact of Lost Instructional Time

A description of how the LEA will use funds to address the academic impact of lost instructional time.

### Total ESSER III funds being used to address the academic impact of lost instructional time

\$1,278,321

Plan Alignment (if applicable)	Action Title	Action Description	Planned ESSER III Funded Expenditures
ELO #1	Addressing Lost Instructional Time (a minimum of 20% of the LEAs ESSER III funds)	Evidence Based Interventions Such As: Extended Day, Comprehensive Afterschool programs (Intervention/Enrichment), Summer Learning/Summer Enrichment, Extended School Year Programs	\$874,264
LCAP, Goal #1, Action #4	Intervention and Screening Software	Educational software/program to track achievement and growth from kindergarten readiness to college readiness and to uncover learning loss and equity issues early—and respond quickly to improve student outcomes.	\$300,000
N/A	Panaroma	Social Emotional platform compatible with Second Step, student and adult SEL surveys	\$60,000
LCAP, Goal #2, Action #10	EL Supports	ELLevate	\$30,000
ELO #1	Supplemental Afterschool Programs	Mitigate unfinished learning, and provide engaging enrichment programs that will positively impact student growth, sense of belonging and academic success	\$14,057

## Use of Any Remaining Funds

A description of the how the LEA will use any remaining ESSER III funds, as applicable.

**Total ESSER III funds being used to implement additional actions**

\$716,000

<b>Plan Alignment (if applicable)</b>	<b>Action Title</b>	<b>Action Description</b>	<b>Planned ESSER III Funded Expenditures</b>
N/A	1% employee raise, off schedule for both bargaining units	To remain competitive with like and neighboring districts and support in the retention of staff	\$360,000
N/A	Maintenance/Furniture/Capital Site Needs	Maintenance and upgrades of HVAC systems and HVAC filtration/Outdoor seating and other equipment, supplies, and products necessary to social distance students and staff to stop the spread of COVID.	\$350,000
LCAP, Goal #3, Action #6	FSU Parent University	Supporting Parent Engagement through Financial Literacy, Digital Literacy, and SEL supports	\$6,000

**Ensuring Interventions are Addressing Student Needs**

The LEA is required to ensure its interventions will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students most impacted by the COVID–19 pandemic. The following is the LEA’s plan for ensuring that the actions and expenditures in the plan are addressing the identified academic, social, emotional, and mental health needs of its students, and particularly those students most impacted by the COVID–19 pandemic.

<b>Action Title(s)</b>	<b>How Progress will be Monitored</b>	<b>Frequency of Progress Monitoring</b>
Addressing lost instructional time	All grade levels will use universal screeners as a measure of student performance. Additional measures including benchmark assessments, phonological awareness, OG and STAR assessments, curriculum based measures will also be administered and analyzed for student growth and planning for instruction, intervention and enrichment activities.	Student progress will be monitored during weekly grade level PLC meetings, and at the school site level during quarterly Data Team meetings, utilizing the data from each of the progress monitoring assessments.

Action Title(s)	How Progress will be Monitored	Frequency of Progress Monitoring
Intervention Software	Student progress will be monitored via the intervention software program, teacher anecdotal records, classroom performance on all assessments administered measuring grade level standards.	Student progress will be monitored according to intervention program guidelines, and will take place on a continuous and regular basis.
Panorama	Student surveys will be administered in conjunction with the Second Step SEL curriculum	Students will engage in surveys 3-5 times per school year and data will be analyzed to identify support areas needing improvement, as well as to identify areas in which our schools are supporting students well.
ELLevate	Student progress will be monitored using the ELPAC, assessments in the ELLevate program, teacher anecdotal records for increased fluency and proficiency in the English language, classroom assessments, universal screeners and all additional district and school site administered assessments.	Students participate in the ELPAC assessment once per school year, all other assessments of student progress in English Language Development will continue on a regular and continuing basis.
Supplemental Afterschool Programs	Progress will be monitored for academic intervention supports, using universal screeners, additional district and school site administered assessments, as well as any program component progress monitoring. Any enrichment based programs will be monitored measuring student engagement, academic progress in the regular school day, and teacher anecdotal feedback.	Progress monitoring will follow program guidelines, and will take place on at least a bi-weekly basis.

# ESSER III Expenditure Plan Instructions

## Introduction

School districts, county offices of education (COEs), or charter schools, collectively known as local educational agencies (LEAs), that receive Elementary and Secondary School Emergency Relief (ESSER) funds under the American Rescue Plan (ARP) Act, referred to as ESSER III funds, are required to develop a plan for how they will use ESSER III funds to, at a minimum, address students' academic, social, emotional, and mental health needs, as well as the opportunity gaps that existed before, and were exacerbated by, the COVID-19 pandemic.

The plan must be adopted by the local governing board or body of the LEA at a public meeting on or before October 29, 2021 and must be submitted for review and approval within five days of adoption. A school district must submit its ESSER III Expenditure Plan to its COE for review and approval; a COE must submit its plan to the California Department of Education for review and approval. A charter school must submit its plan to its chartering authority for review and to the COE of the county in which the charter school operates for review and approval.

In addition, consistent with the requirements of the ARP, Volume 86, *Federal Register*, page 21201, April 22, 2021, the ESSER III Expenditure Plan must be:

- Written in an understandable and uniform format;
- Written in a language that parents can understand, to the extent practicable;
  - If it is not practicable to provide written translations to a parent with limited English proficiency, the plan must be orally translated for parents
- Provided in an alternative format to a parent who is an individual with a disability as defined by the Americans with Disabilities Act, upon request; and
- Be made publicly available on the LEA's website.

For additional information regarding ESSER III funding please see the ARP Act Funding web page at

<https://www.cde.ca.gov/fg/cr/arpact.asp>.

*For technical assistance related to the completion of the ESSER III Expenditure Plan, please contact [EDReliefFunds@cde.ca.gov](mailto:EDReliefFunds@cde.ca.gov).*

## Fiscal Requirements

- The LEA must use at least 20 percent (20%) of its ESSER III apportionment for expenditures related to addressing the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs.
  - For purposes of this requirement, "evidence-based interventions" include practices or programs that have **evidence** to show that they are effective at producing results and improving outcomes when implemented. This kind of evidence has generally been produced through formal studies and research. There are four tiers, or levels, of evidence:

- **Tier 1 – Strong Evidence:** the effectiveness of the practices or programs is supported by one or more well-designed and well-implemented randomized control experimental studies.
  - **Tier 2 – Moderate Evidence:** the effectiveness of the practices or programs is supported by one or more well-designed and well-implemented quasi-experimental studies.
  - **Tier 3 – Promising Evidence:** the effectiveness of the practices or programs is supported by one or more well-designed and well-implemented correlational studies (with statistical controls for selection bias).
  - **Tier 4 – Demonstrates a Rationale:** practices that have a well-defined logic model or theory of action, are supported by research, and have some effort underway by a State Educational Agency, LEA, or outside research organization to determine their effectiveness.
- **For additional information please see the Evidence-Based Interventions Under the ESSA web page at <https://www.cde.ca.gov/re/es/evidence.asp>.**
- The LEA must use the remaining ESSER III funds consistent with section 2001(e)(2) of the ARP Act, including for:
  - Any activity authorized by the Elementary and Secondary Education Act (ESEA) of 1965;
  - Any activity authorized by the Individuals with Disabilities Education Act (IDEA);
  - Any activity authorized by the Adult Education and Family Literacy Act;
  - Any activity authorized by the Carl D. Perkins Career and Technical Education Act of 2006;
  - Coordination of preparedness and response efforts of LEAs with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19;
  - Activities to address the unique needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, homeless students, and foster youth, including how outreach and service delivery will meet the needs of each population;
  - Developing and implementing procedures and systems to improve the preparedness and response efforts of LEAs;
  - Training and professional development for staff of the LEA on sanitation and minimizing the spread of infectious diseases;
  - Purchasing supplies to sanitize and clean the facilities of an LEA, including buildings operated by such agency;
  - Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under IDEA, and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements;
  - Purchasing education technology (including hardware, software, and connectivity) for students who are served by the LEA that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and children with disabilities, which may include assistive technology or adaptive equipment;
  - Providing mental health services and supports, including through the implementation of evidence-based full-service community schools;
  - Planning and implementing activities related to summer learning and supplemental after school programs, including providing classroom instruction or online learning during the summer months and addressing the needs of underserved students;

- Addressing learning loss among students, including underserved students, by:
  - Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiated instruction,
  - Implementing evidence-based activities to meet the comprehensive needs of students,
  - Providing information and assistance to parents and families of how they can effectively support students, including in a distance learning environment, and
  - Tracking student attendance and improving student engagement in distance education;

**Note:** A definition of “underserved students” is provided in the Community Engagement section of the instructions.

- School facility repairs and improvements to enable operation of schools to reduce risks of virus transmission and exposure to environmental health hazards, and to support student health needs;
- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door replacement;
- Developing strategies and implementing public health protocols including, to the greatest extent practicable, policies in line with guidance from the Centers for Disease Control and Prevention (CDC) for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff;
- Other activities that are necessary to maintain the operation of and continuity of services in LEAs and continuing to employ existing staff of the LEA.

### **Other LEA Plans Referenced in this Plan**

In developing the plan, the LEA has flexibility to include community input and/or actions included in other planning documents, such as the Local Control and Accountability Plan (LCAP) and/or the Expanded Learning Opportunities (ELO) Grant Plan, provided that the input and/or actions address the requirements of the ESSER III Expenditure Plan.

An LEA that chooses to utilize community input and/or actions from other planning documents must provide the name of the plan(s) referenced by the LEA and a description of where the plan(s) may be accessed by the public (such as a link to a web page or the street address of where the plan(s) are available) in the table. The LEA may add or delete rows from the table as necessary.

An LEA that chooses not to utilize community input and/or actions from other planning documents may provide a response of “Not Applicable” in the table.

### **Summary of Expenditures**

The Summary of Expenditures table provides an overview of the ESSER III funding received by the LEA and how the LEA plans to use its ESSER III funds to support the strategies and interventions being implemented by the LEA.

### **Instructions**

For the ‘Total ESSER III funds received by the LEA,’ provide the total amount of ESSER III funds received by the LEA.

In the Total Planned ESSER III Expenditures column of the table, provide the amount of ESSER III funds being used to implement the actions identified in the applicable plan sections.

For the ‘Total ESSER III funds included in this plan,’ provide the total amount of ESSER III funds being used to implement actions in the plan.

## **Community Engagement**

### **Purpose and Requirements**

An LEA’s decisions about how to use its ESSER III funds will directly impact the students, families, and the local community, and thus the LEA’s plan must be tailored to the specific needs faced by students and schools. These community members will have significant insight into what prevention and mitigation strategies should be pursued to keep students and staff safe, as well as how the various COVID–19 prevention and mitigation strategies impact teaching, learning, and day-to-day school experiences.

An LEA must engage in meaningful consultation with the following community members, as applicable to the LEA:

- Students;
- Families, including families that speak languages other than English;
- School and district administrators, including special education administrators;
- Teachers, principals, school leaders, other educators, school staff, and local bargaining units, as applicable.

“Meaningful consultation” with the community includes considering the perspectives and insights of each of the required community members in identifying the unique needs of the LEA, especially related to the effects of the COVID-19 pandemic. Comprehensive strategic planning will utilize these perspectives and insights to determine the most effective strategies and interventions to address these needs through the programs and services the LEA implements with its ESSER III funds.

Additionally, an LEA must engage in meaningful consultation with the following groups to the extent that they are present or served in the LEA:

- Tribes;
- Civil rights organizations, including disability rights organizations (e.g. the American Association of People with Disabilities, the American Civil Liberties Union, National Association for the Advancement of Colored People, etc.); and
- Individuals or advocates representing the interests of children with disabilities, English learners, homeless students, foster youth, migratory students, children who are incarcerated, and other underserved students.
  - For purposes of this requirement “underserved students” include:
    - Students who are low-income;

- Students who are English learners;
- Students of color;
- Students who are foster youth;
- Homeless students;
- Students with disabilities; and
- Migratory students.

LEAs are also encouraged to engage with community partners, expanded learning providers, and other community organizations in developing the plan.

Information and resources that support effective community engagement may be found under *Resources* on the following web page of the CDE’s website: <https://www.cde.ca.gov/re/lc>.

### **Instructions**

In responding to the following prompts, the LEA may reference or include input provided by community members during the development of existing plans, including the LCAP and/or the ELO Grant Plan, to the extent that the input is applicable to the requirements of the ESSER III Expenditure Plan. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broad understanding among the LEA’s local community.

#### **A description of the efforts made by the LEA to meaningfully consult with its required community members and the opportunities provided by the LEA for public input in the development of the plan.**

A sufficient response to this prompt will describe how the LEA sought to meaningfully consult with its required community members in the development of the plan, how the LEA promoted the opportunities for community engagement, and the opportunities that the LEA provided for input from the public at large into the development of the plan.

As noted above, a description of “meaningful consultation” with the community will include an explanation of how the LEA has considered the perspectives and insights of each of the required community members in identifying the unique needs of the LEA, especially related to the effects of the COVID-19 pandemic.

#### **A description of the how the development of the plan was influenced by community input.**

A sufficient response to this prompt will provide clear, specific information about how input from community members and the public at large was considered in the development of the LEA’s plan for its use of ESSER III funds. This response must describe aspects of the ESSER III Expenditure Plan that were influenced by or developed in response to input from community members.

- For the purposes of this prompt, “aspects” may include:
  - Prevention and mitigation strategies to continuously and safely operate schools for in-person learning;

- Strategies to address the academic impact of lost instructional time through implementation of evidence-based interventions (e.g. summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs);
- Any other strategies or activities implemented with the LEA’s ESSER III fund apportionment consistent with section 2001(e)(2) of the ARP Act; and
- Progress monitoring to ensure interventions address the academic, social, emotional, and mental health needs for all students, especially those students disproportionately impacted by COVID-19

For additional information and guidance, please see the U.S. Department of Education’s Roadmap to Reopening Safely and Meeting All Students’ Needs Document, available here: <https://www2.ed.gov/documents/coronavirus/reopening-2.pdf>.

**Planned Actions and Expenditures**

**Purpose and Requirements**

As noted in the Introduction, an LEA receiving ESSER III funds is required to develop a plan to use its ESSER III funds to, at a minimum, address students’ academic, social, emotional, and mental health needs, as well as the opportunity gaps that existed before, and were exacerbated by, the COVID-19 pandemic.

**Instructions**

An LEA has the flexibility to include actions described in existing plans, including the LCAP and/or ELO Grant Plan, to the extent that the action(s) address the requirements of the ESSER III Expenditure Plan. When including action(s) from other plans, the LEA must describe how the action(s) included in the ESSER III Expenditure Plan supplement the work described in the plan being referenced. The LEA must specify the amount of ESSER III funds that it intends to use to implement the action(s); these ESSER III funds must be in addition to any funding for those action(s) already included in the plan(s) referenced by the LEA. Descriptions of actions provided should include sufficient detail yet be sufficiently succinct to promote a broad understanding among the LEA’s local community.

**Strategies for Continuous and Safe In-Person Learning**

Provide the total amount of funds being used to implement actions related to Continuous and Safe In-Person Learning, then complete the table as follows:

- If the action(s) are included in another plan, identify the plan and provide the applicable goal and/or action number from the plan. If the action(s) are not included in another plan, write “N/A”.
- Provide a short title for the action(s).
- Provide a description of the action(s) the LEA will implement using ESSER III funds for prevention and mitigation strategies that are, to the greatest extent practicable, in line with the most recent CDC guidance, in order to continuously and safely operate schools for in-person learning.

- Specify the amount of ESSER III funds the LEA plans to expend to implement the action(s); these ESSER III funds must be in addition to any funding for those action(s) already included in the plan(s) referenced by the LEA.

### **Addressing the Impact of Lost Instructional Time**

As a reminder, the LEA must use not less than 20 percent of its ESSER III funds to address the academic impact of lost instructional time. Provide the total amount of funds being used to implement actions related to addressing the impact of lost instructional time, then complete the table as follows:

- If the action(s) are included in another plan, identify the plan and provide the applicable goal and/or action number from the plan. If the action(s) are not included in another plan, write “N/A”.
- Provide a short title for the action(s).
- Provide a description of the action(s) the LEA will implement using ESSER III funds to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs.
- Specify the amount of ESSER III funds the LEA plans to expend to implement the action(s); these ESSER III funds must be in addition to any funding for those action(s) already included in the plan(s) referenced by the LEA.

### **Use of Any Remaining Funds**

After completing the Strategies for Continuous and Safe In-Person Learning and the Addressing the Impact of Lost Instructional Time portions of the plan, the LEA may use any remaining ESSER III funds to implement additional actions to address students’ academic, social, emotional, and mental health needs, as well as to address opportunity gaps, consistent with the allowable uses identified above in the Fiscal Requirements section of the Instructions. LEAs choosing to use ESSER III funds in this manner must provide the total amount of funds being used to implement actions with any remaining ESSER III funds, then complete the table as follows:

- If the action(s) are included in another plan, identify the plan and provide the applicable goal and/or action number from the plan. If the action(s) are not included in another plan, write “N/A”.
- Provide a short title for the action(s).
- Provide a description of any additional action(s) the LEA will implement to address students’ academic, social, emotional, and mental health needs, as well as to address opportunity gaps, consistent with the allowable uses identified above in the Fiscal Requirements section of the Instructions. If an LEA has allocated its entire apportionment of ESSER III funds to strategies for continuous and safe in-person learning and/or to addressing the impact of lost instructional time, the LEA may indicate that it is not implementing additional actions.
- Specify the amount of ESSER III funds the LEA plans to expend to implement the action(s); these ESSER III funds must be in addition to any funding for those action(s) already included in the plan(s) referenced by the LEA. If the LEA it is not implementing additional actions the LEA must indicate “\$0”.

### **Ensuring Interventions are Addressing Student Needs**

The LEA is required to ensure its interventions will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students most impacted by the COVID–19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

The LEA may group actions together based on how the LEA plans to monitor the actions' progress. For example, if an LEA plans to monitor the progress of two actions in the same way and with the same frequency, the LEA may list both actions within the same row of the table. Each action included in the ESSER III Expenditure Plan must be addressed within the table, either individually or as part of a group of actions.

Complete the table as follows:

- Provide the action title(s) of the actions being measured.
- Provide a description of how the LEA will monitor progress of the action(s) to ensure that they are addressing the needs of students.
- Specify how frequently progress will be monitored (e.g. daily, weekly, monthly, every 6 weeks, etc.).

California Department of Education  
June 2021
